

Professional Development

So, You Want to Be a Professional Organizer!

Maybe you've seen "Mission: Organization" on the Home & Garden Channel or "Clean Sweep" on The Learning Channel. Are your own skills at organizing honed enough to turn professional? This course will explain the tools you need to go into business as a professional organizer. Learn how to set up your own organizing business, what expenses are involved in setting up a business, how to handle record keeping and get started with clients, and how to network and market your business and yourself on a shoestring budget. You'll also learn about the different types of organizing that other professional organizers do.
